

## VISUAL INDICATORS

Part No. W1051440

Lead Time  
(Business Days) 20

### Technical Specifications

|                                |                                     |
|--------------------------------|-------------------------------------|
| <b>Indication Range:</b>       | Up to 96" of Indication             |
| <b>Specific Gravity:</b>       | .87                                 |
| <b>Float Material:</b>         | Mini Float, 316SS, .85 SG           |
| <b>Max. Pressure:</b>          | 0                                   |
| <b>Operating Temp.:</b>        | 170                                 |
| <b>Mounting Type:</b>          | Type BM                             |
| <b>Housing Float Material:</b> | 316SS                               |
| <b>Housing Type:</b>           | 1-1/4" Tubing                       |
| <b>Connection Code T:</b>      | (T10) Removable Blind Flange        |
| <b>Connection Code Sa:</b>     | (S4) 1/2" 150# RF ANSI Flange       |
| <b>Connection Code Sb:</b>     | (S4) 1/2" 150# RF ANSI Flange       |
| <b>Connection Code b:</b>      | (B10) Removable Blind Mating Flange |
| <b>Flag Type:</b>              | Plastic Flags                       |
| <b>Scale:</b>                  | Inches                              |
| <b>Transmitter:</b>            | Standard, 300F max, 4-20ma Output   |
| <b>Media Type:</b>             | AW 32 hydraulic Oil                 |

### Ordering Information

|                             |                                                    |
|-----------------------------|----------------------------------------------------|
| <b>Part Number:</b>         | W1051440                                           |
| <b>Lead Time:</b>           | 20                                                 |
| <b>Min. Order Quantity:</b> | 1                                                  |
| <b>Shipping Weight:</b>     | 12.57 lbs.                                         |
| <b>Model Description:</b>   | BM-2-T10-S4/.5"150#-B10-36.000-36-PP1-XMS(4-20)--- |

### Dimensional Specifications

|                            |               |
|----------------------------|---------------|
| <b>Indicating Length:</b>  | 36.000"       |
| <b>C to C Length:</b>      | 36"           |
| <b>Critical Dimension:</b> | C to C Length |
